A letter from the Vicar...

Dear Friends,

I hope that these last few weeks have been a time of optimism for you all, a time of being reunited with family and friends after what felt like a never-ending lockdown, and a time to hope and plan for the future.

During May we celebrate the Ascension of Christ to be with his Father in heaven, and the sending down of the Holy Spirit at Pentecost. There is more about these events further on in the magazine, but I wanted to reflect briefly on some aspects of these things. They both involve encounter with God, blessing of those present in some way and a commissioning, or sending out.

I hope that these coming weeks and months are full of these things for you all. Full of encounters with one and another, and with those who you've not been able to see for a while. Full too of encounters with God: through

loving relationship, through the natural world which is exploding around us, and through times of stillness and calm. I hope that you know that you are blessed, and that, even at the worst times, you can find things to be thankful for. If this is hard then please do seek help, we are always here to listen and to signpost you to other help if needed.

And although it might feel strange at first, accustomed as we are to staying at home, I hope that we are all able to go out into the world, able to move around confidently and with joy (this is slightly ironic for me as I am currently on crutches), radiating warmth and welcome to all who we meet on the way.

Revd Catherine

Introducing your new Magazine Team!

We are so very grateful to Gail for all the work she has done to create a brilliant magazine for our parishes. From this month, a small team of people has picked up the baton and we thought that we should introduce ourselves to everyone.

Georgina Wilson Ayilara

Hello, my name is Georgina. I love spending time with my husband Akeem and my lovely, vibrant cockapoo Jasper. I most enjoy going for long walks; exploring the countryside and coast. As a member of the National Trust and Historic Houses Association, pre-covid, I had delightful days out, visiting great stately homes across the country.

I am an aspiring gardener. I have grown sweet peas, peonies and roses. Spending time in the garden and seeing such beautiful sights reminds me of the beauty of God's handiwork, which brings me a lot of joy. Professionally I am a bid and proposal manager at one of the top 4 auditing firms. I am also studying a part time MBA at the University of Birmingham.

I look forward to catching up with you.

Georgina will be collecting articles from our church communities each month, please send anything you would like included to: georginaayilara@gmail.com

Elizabeth Morris

I am a Reader licensed to the two churches and am involved in leading Saturday Church at St Leonard's. I live in Moston with a husband, dog and three of my four children. I am a storyteller, Methodist Community Lay Worker at Coppenhall Methodist Church, and Learning Officer at Englesea Brook Museum. I love crafting, writing and the correct use of apostrophes!

Sandra Peake

Hello everyone, I am 63 years old , married to my lovely Bri forever; we have 3 grown up children and 10 grandchildren - one short of a football team!

I am a retired nurse, spending my later career years working with cancer patients, which was very humbling and rewarding too.

Much of our time is spent dedicated to the activities of our grandchildren's hobbies: cricket, running club, swimming, football and fishing and various crafts etc. I enjoy watercolours, although I'm not very good at it I find it is very relaxing. Pottering round the garden and growing different varieties of flowers is joyful to me also.

My church and my faith are very important to me in my life. I always feel happiest when being of service and help to others. Any spare time after this is spent walking our little chihuahua dog called Daisy, she may be small but is as bossy as any lion.

Revd Catherine Cleghorn

I am the vicar of St Peter's and St Leonard's, and you have probably heard enough about me – though do send in any questions that you might have. I just wanted to take the opportunity to introduce my long-suffering husband, Carl, as he is helping an awful lot with the magazine, as with all aspects of my ministry.

Carl works for a manufacturing company based in Manchester as a Global Operations Analyst. He would have travelled for work a lot over the last 12 months but instead has spent most of his time in his shed (or "man-cave") working from home.

Carl is very energetic and enjoys hill-walking and gardening. He also loves making giant things out of Lego.

Please send information for rotas and notices for St Leonard's and Warmingham Community to Helan Isherwood: 01606 841711 / helan.isherwood@sky.com, and information for rotas and notices for St Peter's to Revd Catherine using the details on the contacts page.

Saturday Church

Saturday Church is held usually once a month in Warmingham Village Hall from 9.45am with craft, stories, songs and worship for families of all ages. You are warmly invited to come along and join us on:

Saturday 8th May from 9.45am to 10.30am

At Warmingham Village Hall

We will continue looking at the Bible in Eleven Objects:

Ascension Day: 40 Days with the Risen Christ

40 days after Easter comes Ascension Day. These are the 40 days during which the Risen Christ appeared again and again to His disciples, following His death and resurrection. (*Matthew 28; Mark 16; Luke 24; and John 20.*)

The Gospels give us little of Christ's teachings and deeds during those 40 days. Jesus was seen by numerous of His disciples: on the road to Emmaus, by the Sea of Galilee, in houses, etc. He strengthened and encouraged His disciples, and at last opened their eyes to all that the Scriptures had promised about the Messiah. Jesus also told them that as the Father had sent Him, He was now going to send them - to all corners of the earth, as His witnesses.

Surely the most tender, moving 'farewell' in history took place on Ascension Day. Luke records the story with great poignancy: 'When Jesus had led them out to the vicinity of Bethany, He lifted up His hands - and blessed them.'

As Christmas began the story of Jesus' life on earth, so Ascension Day completes it, with His return to His Father in heaven. Jesus' last act on earth was to bless His disciples. He and they had a bond as close as could be: they had just lived through three tumultuous years of public ministry and miracles – persecution and death – and resurrection!

Just as we part from our nearest and dearest by still looking at them with love and memories in our eyes, so exactly did Jesus: 'While He was blessing them, He left them and was taken up into heaven.' (Luke 24:50-1). He was not forsaking them, but merely going on ahead to a kingdom which would also be theirs one day: 'I am ascending to my Father and to your Father, to my God and your God...' (John 20:17).

The disciples were surely the most favoured folk in history. Imagine being one of the last few people on earth to be face to face with Jesus, and have Him look on

you with love. No wonder then that Luke goes on: 'they worshipped Him, and returned to Jerusalem with great joy. And they stayed continually at the temple, praising God.' (Luke 24:52,53).

No wonder they praised God! They knew they would see Jesus again one day! 'I am going to prepare a place for you... I will come back and take you to be with me that you also may be where I am.' (John 14:2,3). In the meantime, Jesus had work for them to do: to take the Gospel to every nation on earth.

Easter Flowers

A huge thank you to everyone who contributed to making the churches so beautiful for Easter, especially those who worked so hard to arrange flowers!

Greetings from Our Local Policing Team in Leighton

Hello,

We just wanted to take a quick moment to introduce ourselves as your local policing team. There are 2 of us for the Leighton area and hopefully you have seen us about quite a bit. We are PCSO Matt Oliver and PC Louis Martin. Matt has been a PCSO for 2 and a half years and has been the PCSO for Leighton for 2 years. Louis has been a PC for 5 years and the Beat Manager for Leighton since July 2020.

The Police and Crime Commissioner has appointed a dedicated PCSO and PC for every area of Cheshire with the idea of giving the community a stronger link to the police as well as a named officer they can contact as a point of reference. We believe the commitment to put the dedicated officers in place is a great idea that has allowed us to really get stuck into the issues that impact the community and with your help, have achieved some great results.

Another commitment is having a base in the community. With Leighton being quite a small (however rapidly growing!) area we have had our base at the North Street Café, which unfortunately is not in Leighton. This has not been ideal but with the support of the Parish Council, Reverend Cleghorn and the Hall Committee, we have agreed to have a new base located at St Peter's Community Hall in the heart of our community.

The idea behind the base is that we use it for our admin purposes, instead of going back to the police station, and also run our community meetings here. Having the base makes us more approachable and visible as when we're on the second floor of Crewe Police Station it is nigh on impossible to get hold of us quickly and informally! Obviously, the current pandemic means that we won't be able to run a business as usual approach, however you should start to see us here more and more.

For the current situation, if you see our car in the car park and would like to speak to us, just come and give the door or window a knock and we'll come and speak to you. Please don't think you're disturbing us, as the idea is we are more approachable, so come and say hello and have a chat about absolutely anything, you would be surprised how many times a small conversation has given us a vital piece of information that has helped us with an investigation.

When our shifts allow, we will be attending church services and as the country begins to emerge out of lockdown, we will be more and more involved with groups and activities in the community.

We really look forward to meeting more of you over the coming months and hope you all stay safe in the meantime.

Warmest Regards

News from Warmingham Church of England Primary

What Do You Do With An Idea?

Written by Kobi Yamada

What do ideas become? Big things, brave things, smart things, good things. Things like stories, artwork. Journeys, inventions, communities, products, and cures. Everything you see around you was once an idea. So what will become of your idea? Now that's up to you!

Next term our study themes all stem from the book 'What Do You Do with an Idea?' It is a story about one brilliant idea and the child who helps to bring it into the world. As the child's confidence grows, so does the idea itself. And then, one day, something amazing happens.

Otters

This half term Otters have had a terrific time exploring and discovering everything dinosaur. They have learnt the names of some very unusual dinosaurs that even Mrs Allen had trouble pronouncing. They discovered that although the dinosaurs lived many, many years ago and that no humans have ever seen a real life one, there is a lot we do know about them. They explored what a skeleton is and what a fossil is and how the fossils are formed. They have also learnt about herbivores and carnivores and we classified some of our favourite dinosaurs. Next term we will begin our new topic 'What Do You Do with an Idea?' Otters will initially start with the key text 'Not a box' by Antoinette Portis. They will get our designing heads on as we explore what we can do with a cardboard box! Mrs Allen is looking forward to seeing everyone's creativity flow as we transform a simple box into something wonderful.

Hedgehogs

Although it's been a short one in school, Hedgehogs have really let their lights shine brightly. They have loved our topic 'We are all superheroes' and they have

learnt about how to keep healthy. They've enjoyed sharing lots of superhero stories and learnt about real life superheroes such as Rosa Parks and Malala Yousafzai. Hedgehogs gave such thoughtful and compassionate responses to their stories, showing great empathy and understanding of our justice value.

Hedgehogs enjoyed using the story 'The Day the Crayons Quit' as their English text. They loved writing colour poems and explanation texts about how rainbows and colours are made. Their favourite lessons of all this term have been art where they learnt to mix and create different colours and we've produced so much amazing art work. Their classroom is now such a bright, colourful place to learn in.

Next term their new focus texts will be 'What Do You Do with an Idea?' and 'Jack and the Beanstalk'. Their study theme will be based around designing and creating a way for Jack to safely carry his golden egg around and designing a better way to climb up to the giant's castle. Alongside this we will be growing our own beans and other plants or vegetables. It promises to be a really exciting summer term for them.

Squirrels

Squirrels have loved learning about Amelia Earhart and her solo flight across the Atlantic Ocean. They looked at the countries Amelia Earhart could see on her journey across the Atlantic Ocean. Using maps, globes and digital mapping they located countries and identified their geographical features. They also looked at the similarities and differences between some of the countries and the United Kingdom.

Next term's study theme will take Squirrels into a world of imagination where we will be exploring ways to build and design concepts using different techniques and materials. They will be using supporting texts to allow children to thrive in all areas of the curriculum and we will be making the most of the summer weather and take our learning outside to help us where we can. Mrs Craven and Miss Turrell are looking forward to seeing the children be creative, imaginative, and innovative.

Badgers

Badgers enjoyed learning about Rosa Parks, and answering the question "When is it okay to break the rules?" They have been learning about the Victorians and Badgers have loved learning about life as a schoolchild. We have laughed at some strange Victorian customs and recipes, and our final project is a Victorian Survival Kit.

Next half term, we will be looking at life changing inventions and the process of making our ideas into things that improve the world.

Our New School Prayer

Early this week, our Ethos Council wrote a new school prayer for us. They wanted to make sure that it reflects our school's ethos - A Caring Christian Family Which Grows Together. They were also keen to make sure that it also reminded us to let our lights shine.

Dear Father,

Thank you God for allowing us to be part of Warmingham's caring Christian family.

Help us to let our lights shine so that our school can be a place full of happiness, laughter, love and learning.

Encourage us to let our lights shine so we can help our friends and family when they are in pain, feel scared or lonely.

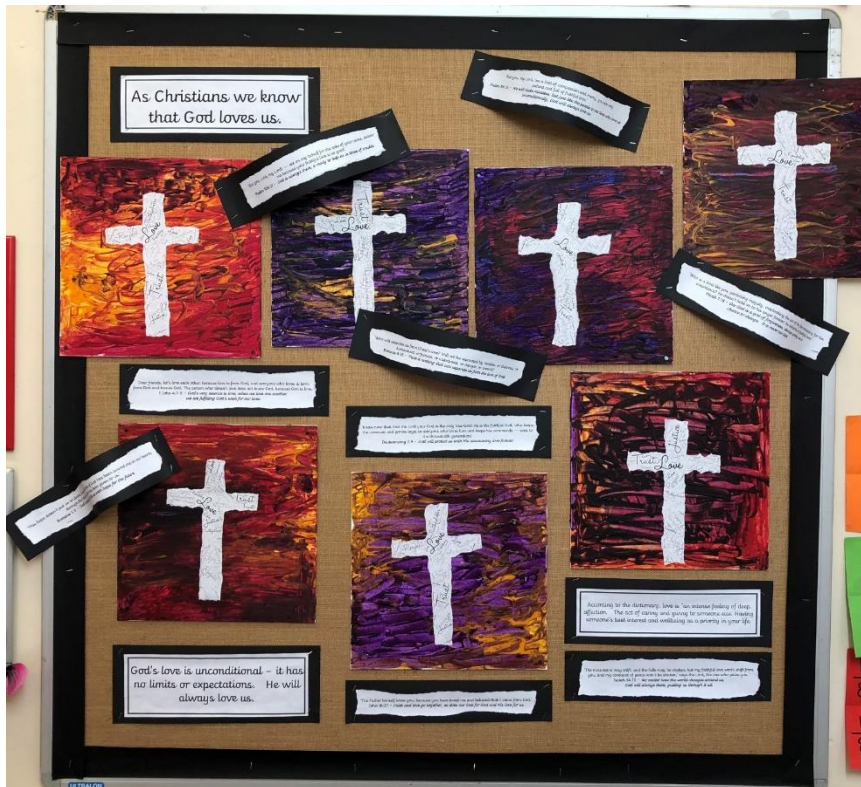

Let us never forget, that as many hands may build a house, so many hearts make a school.

Amen

Easter

As part of our Easter Celebrations, we reflected on God's unconditional love for us before creating some artwork.

Meetings are usually held on the first Wednesday of every month in the Village Hall at 7.30pm. Visitors are always welcome and for further information please contact Helan on 01606 841711 or helan.isherwood@sky.com

Something to ponder from Jenny Sant

I was reading “The Bookshop” by Penelope Fitzgerald when I came across this paragraph about school inspectors –

“He recalled that in his grandfather’s day the Inspector had always come round the schools with a ferret in his pocket, ready to be of use in getting rid of the rats.”

I wonder what Ofsted would have to say about that!

Warmingham Wakes Service

Unfortunately we are unable to hold the annual Wakes event in May. However, our Wakes Queen is to be crowned at St Leonard's Church **Wakes Service** on Sunday 2nd May at 11.30am.

The crowning will be by **Mrs Kate Appleby**, Principal at Warmingham Primary School.

Retiring Wakes Queen	Charlotte Lloyd
2021 Wakes Queen	Jess Price

The church follows strict coronavirus regulations, so if you wish to attend the service please book a place with Janet Furber (01270 526393).

Spring Sightings

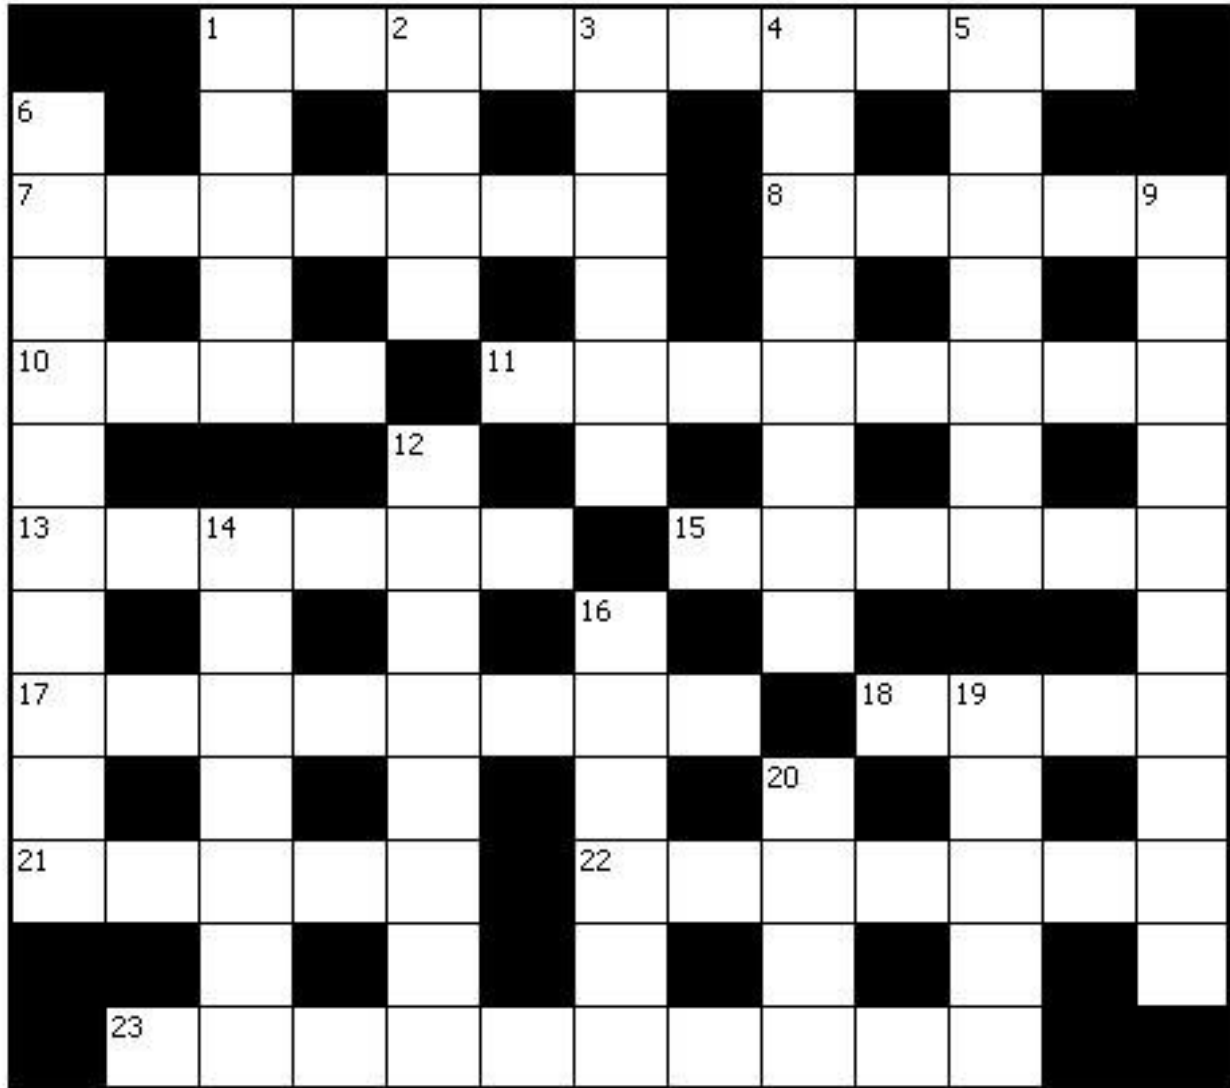

As well as the beautiful display of daffodils that we have had along the roadside and the spring flowers in the churchyard and gardens of the village there are new arrivals on the

River Wheelock in Warmingham. This brood of ducklings have a home in the Brooks' garden at Millers Race.

😊 I asked my mother if I was a gifted child.
She said I must be, because they certainly wouldn't have paid for me

😊 A teacher posed the following problem to one of her maths classes: "A wealthy man dies and leaves ten million pounds. One-fifth is to go to his wife, one-fifth is to go to his son, one-sixth to his butler, and the rest to charity. Now, what does each get?"

After a very long silence in the classroom, one little boy raised his hand and suggested: "A solicitor?"

Knowledgeable Gardener wanted for a few hours a week to help with beautiful established garden and borders. Please call 07794 994329.
