'Serve One Another In Love'

Galatians 5:13

Dear Parents,

It's been the perfect weather for ducks this week! We haven't let the horrible weather dampen our spirits. Squirrels have been designing bird houses and Otters have found yet another use for a box. Hedgehogs have been doing some amazing writing and Badgers were making something very interesting on Tuesday -

Over the course of the week, we have received updated guidance from Public Health England and the DfE. The over-arching message is one of caution - we need to take things slowly. We need to continue keeping school as safe as possible for us all. There is more information later in the newsletter.

Next week, we will be hosting our first PTA event for a while. The children will be able to stay after school to watch a film. We will be keeping each bubble separate. When you pick your child up could you please follow the one-way system and remain 2m apart. You will be able to collect your child from their usual places. The booking forms will be sent home tonight and need to be returned by Tuesday.

Stay safe and have a wonderful weekend.
Kind Regards,

Kate Appleby
Principal of Warmingham CE Primary
Proud member of the Rural Church Schools Academy Trust

COVID-19 Update

As you will be very aware the roadmap out of lockdown moves to Step 3 on Monday 17th May. We will as a result be granted further freedoms within our everyday lives.

As a school, we have throughout the pandemic kept our procedures tight yet proportionate. We have worked hard to ensure school is as safe as it can be for children and staff whilst trying to maintain the ability to teach our full and balanced curriculum.

As we move out of lockdown I wanted to share with you how school will operate over the forthcoming weeks. Obviously, my over-arching aim is to keep the school open for all, but also operate safely for all those within the building.

Currently, Cheshire East are in a good position with 14 in 100,000 cases. There are some clusters gathering in the north of the borough but nothing of any concern. However, some of our neighbouring areas in the North West are seeing 150 in 100,000 cases in Sefton, Bolton, Greater Manchester and Lancashire. This is being attributed to the Indian variant which seems to be on the rise. Therefore, it seems sensible to take a cautious approach to lifting all our procedures.

From Monday 17th May 2021 school will continue to operate in the following ways:

- We will be maintaining year group bubbles and social distancing from other bubbles during the school day.
- We will maintain our existing handwashing routines which are in place.
- We will be maintaining our staggered starts/finish times and we ask that you continue to support the school in dropping off and collecting at the allocated times and following the one-way system.
- We will be maintaining face coverings for staff in communal areas.
- We will be maintaining face coverings for all parents coming onto school property, unless medically exempt.
- We will be maintaining our enhanced cleaning routine.
- We will be maintaining increased ventilation within school.
- All staff will continue to carry out LFD tests twice weekly.
- All visitors will be asked to carry out a LFD test before coming into school.

I know that you will continue to support the school with our procedures so continue to keep every safe.

From Monday 21st June at this point should the data allow, we will:

- Allow mixing of bubbles outside where transmission risk is lower therefore children will be able to play outside with other children in the school
- Keep any mixing of bubbles indoors to a minimum
- Operate one drop off and pick up time.

During the summer term, we are planning a number of outdoor events to which parents will be invited: Sports Day, Star Day and picnic, Year 6 Celebrations. As the events draw closer we will be providing clear information as to how these events will run and possible procedures we may wish you to follow if you are attending. These will include completing an LFD test prior to attending as these

Step 3

If things go well, step 3 will start on Monday, 17 May.

From Monday, 17 May:

- you can meet who you like outdoors

30+

- but you can't meet people in a group of over 30 people.

We will look at whether it is OK to be closer to people. We will look at whether it is OK to hug people.

Restaurants, cafés and pubs will be able to serve people sitting at a table inside.

are now readily available to the public and signing our internal Track and Trace register so that we know who is on the premises should we have a positive case.

From September 2021

Restrictions may be lifted further at this point and it may not be necessary to continue with bubbles at this point however this is all data dependent. We will be looking to return school to as close to normality as we are able for the start of the new academic year.

Once again I thank you all for your unwavering support throughout the pandemic. Myself and the staff team have very much appreciated your positive comments and messages of support. It has certainly not been the easiest of 12 months but I know as a community we have all worked together to achieve the best possible outcome. Thank you.

Dear Father

Help us serve with a smile,
To take pleasure in helping others,
Knowing that we are doing our best
To follow your example.

Amen

PE and Sports

We are now registered for Sainsbury's School Games and are aiming for our bronze award for the next academic year. We're also planning on running some competitive intra-house competitions next half term. If you have any questions about PE or Sports please either speak to me or email Mr Friel, our PE lead – dfriel@rcsat.cheshire.sch.uk

Otters have won this week's 'fill your jar' competition. Well done Otters. We will be running the completion until half term – keep collecting those coins.
