'Tell the truth to each other'

Zechariah 8:16

Dear Parents,

The children have enjoyed their first week back in school, finding out more about their study themes for the rest of the term. An 'Inventors Time Machine' appeared in Hedgehogs and Mrs B took some selfies with Leonardo Da Vinci, Alexander Graham Bell and the Wright Brothers. Otters have spent time building their own dens and Squirrels and Badgers have been planning their inventions ready for Dragons Den.

On Tuesday KS2 children had their first Chess Club session with Mr Blackburn. It was a real hit with the children! Unfortunately, we had to cancel the Football Club for KS2 due insufficient numbers. Miss Turrell will instead run a Netball Club on Wednesdays for KS2 children. To book your child in please use School Spider. If you experience any problems contact Mrs Marsden.

As you know we have had to postpone our Sports' Day in the hope that we will be able to invite parents to join us. As a results we have had to change a few dates around - more information later in the newsletter.

I would also like to welcome Imogen to our school. She has joined our Hedgehogs' class. She spent the day with us yesterday and will be starting with us next week. She has a younger brother who will be joining Otters in September.

Don't forget Saturday Church is on this weekend. Stay safe and have a wonderful weekend.

Kind Regards,

Kate Appleby
Principal of Warmingham CE Primary
Proud member of the Rural Church Schools Academy Trust

This week our Ethos Council have chosen Ellie for always telling the truth.

Living without lies.
The children will be thinking about what truthfulness means and why it's important not to tell lies.

Prayer for the Week

God of truth,
We thank you for the peace we feel when we are truthful,
And the way you trouble us inside when we tell lies.
Give us your courage to be honest, whatever the cost.
Amen

It's time for the Euros!!

We've taken part in a whole RCSAT assembly this week hosted by Mr. Friel which focused on the European Football Championships! There are 24 countries competing, so each class across our trust has been given a country to follow throughout the tournament. We will be giving a special prize to the winning class/country and awarding some medals and trophies to those pupils who do some research into their country; looking into the language, culture and history etc of that country in their own time and presenting this in school.

Best of luck and may the best country/class win!

To celebrate the return of full contact* training this poster permits you to a free training session with our new Commonwealth Gold Medallist Head Coach Tess Jones.
