## 'Let Your Light Shine'

Matthew 5:16

Dear Parents,

On Wednesday, eight of our Y5/6 girls represented the school in a county mini-basketball tournament. Throughout all of the games they played, each and every one of them demonstrated determination, respect and above all a love for the sport. Mrs Allen and I were incredibly proud of them.

There is a buzz of excitement around the school as we start rehearsing for our Nativity play and the carol services – one at St Michael's next Friday and the other at St Leonard's during the last week of term. We have put a Christmas count down together for you with all the dates and information you need until the end of term.

Next Wednesday, our PTA are hosting their Fashion and Fizz Night. The money raised will be going towards buying ten new laptops for the children. There are some tickets still available; it would be lovely to see you there.

There a couple of own clothes days planned in December to help raise prizes for our Christmas Fair. The children will need to bring in the following items if they would like to wear their own clothes:

Wednesday 7<sup>th</sup> December – Bottles for the Bottle Stall

Wednesday 14<sup>th</sup> December – Chocolate for the Chocolate Tombola

Across the trust we are carrying out an in depth review of the behaviour procedures we have in place. Please read the information found later in the newsletter before completing the questionnaire, which will be send out early next week.

Have a wonderful weekend.

Kind regards,

Kate Appleby  
Principal of Warmingham CE Primary  
Proud member of the Rural Church Schools Academy Trust

### Christmas Tree

On Thursday, we will be decorating our Christmas Tree. We would like every child to bring in a decoration to hang on the tree.

We will keep these decorations in school, and each year the children will hang their decoration on the tree. The colour theme is red and gold.

### Middlewich Christmas Lights Switch On

Friday 2<sup>nd</sup> December

We have been invited to sing at St Michael's church before the Middlewich Christmas Lights are switched on. Mrs Henry is coming into school next week to rehearse with the children who are going to join us. If you would like your child to be involved, please see the information on school spider or speak to Mrs Marsden.

### Own Clothes Days

There a couple of own clothes days planned in December to help raise prizes for our Christmas Fair. The children will need to bring in the following items if they would like to wear their own clothes:

**Wednesday 7<sup>th</sup> December** – Bottles for the Bottle Stall  
Mrs Marsden will collect the bottles by the front entrance on the morning of the 7<sup>th</sup> December.

**Wednesday 14<sup>th</sup> December** – Chocolate for the Chocolate Tombola

### Sleeping Beauty Panto

The whole school will be going to see Sleeping Beauty on Tuesday 13<sup>th</sup> December 2022. We will be leaving school at 1pm and returning around 5pm a Form C will be sent home next week which will need completing and returning to the office.

### Support with Trips and Residentials

Recently, we have sent out information about the residentials next year. There are also a few trips planned. We know that lots of our families are finding things financially challenging at the moment. If you are struggling to pay for any of the trips or the residential, please either speak to or email Mrs Appleby. Please don't over stretch yourselves. There is some funding we can access to support you.

## **Behaviour for Learning Policy Review.**

Warmingham CE Primary, like our sister schools within our trust, is committed to creating an environment where good behaviour is at the heart of productive learning. Everyone is expected to maintain the highest standards of personal conduct, to accept responsibility for their behaviour and encourage others to do the same. We believe that pupils and staff have the right to learn and teach in an environment that is safe, friendly, peaceful and fair. All members of our school community are expected to be **safe, kind and respectful**.

We are currently reviewing our Behaviour for Learning Procedures in school so that it aligns with our Christian values and also reflects our commitment to mental health and well-being. As part of our review we have sought the views of our children in school which are very insightful in relation to our current practice. As part of the process we will also be sending out a questionnaire to staff and parents. We will be sending out your questionnaire next week.

We are aware that our current procedure may focus on the negatives and not adequately recognise those who continually make the right choices. As a staff team, we believe in developing a culture where:

- Behaviour can change and every child can be successful.
- Labelling of children, groups and classes is harmful and can be an attributing factor to poor mental health.
- Positive, targeted praise is more likely to change behaviour than blaming and publicly punishing (moving their name down to the thinking cloud or storm cloud).
- Reinforcing good behaviour helps children feel good about themselves.
- An effective reward system and celebrating success helps to further increase children's self-esteem enabling them to achieve even more.
- Understanding each child's needs and their individual circumstances helps us to act in the fairest way possible for that child, at that moment.

### **When the adults change, everything changes.**

We recognise that each individual child is at a different stage of social learning. Only through a consistent approach to supporting their behaviour will we be able to achieve an environment in which children can learn and develop as caring and responsible people.

Where behaviour is not as expected, we will ensure that sanctions are:

- In proportion to the action.
- Not apply to a whole group for the activities of individuals, unless it is the whole class.
- Be consistently applied by all staff.
- Applied to make it clear that unacceptable behaviour affects others and is taken very seriously.

We also understand that for some children, following our behaviour expectations are beyond their current developmental level. In this case, these children will have access to bespoke positive behaviour plans, which may include carefully targeted sanctions and rewards to reinforce positive behaviour.

Therefore, as part of our review we will be looking to:

- Ensure a consistent and calm approach to and use of language for managing behaviour.
- Ensure that agreed boundaries of acceptable behaviour are clearly understood by all pupils, staff and parents.
- Ensure that all adults take responsibility for behaviour and follow-up any issues personally; to promote the use of restorative approaches.
- Promote pupils' self-esteem by providing an effective system of rewards and praising effort in both work and behaviour.
