Happy Birthday

Caleb

Dear Parents,

It's been a very strange week with Badgers, Miss Rauer, Mrs Morris and me isolating at home until today. We are so pleased to be back in school once again. Otters, Hedgehogs and Squirrels have been busy in our absence. Otters created some amazing structure earlier this week out of marshmallows and sticks as part of their study theme 'It's Not a stick it's a ...'. Hedgehogs have enjoyed learning about The Wright Brothers and have designed and begun to make their own planes using sticks, glue and cloth. Squirrels have adored expanding their French vocabulary and writing some persuasive letters to Dragons Den.

Next Friday is our Sports' Day. As you already know it isn't possible for you to join us because of the Delta variant which spreading faster than the third wave predicted in the February roadmap, with cases growing by 64% each week. We will however be taking lots of photos which we will upload to our Facebook page and put on our school's website. If by any chance the guidance changes, we will let you know as soon as possible.

Stay safe and have a wonderful weekend.

Kind Regards,

Kate Appleby
Principal of Warmingham CE Primary
Proud member of the Rural Church Schools Academy Trust

This week our Ethos Council have chosen Emily for always telling the truth and for being honest in all situations.

The logo for truthfulness is a tick.
Can you think why?

Sometimes other people try to influence us to make the wrong choices and not tell the truth.

‘Tell the truth to each other.’
Zechariah 8:16

Prayer for the Week

Holy God faithful and unchanging,
Enlarge our minds with the knowledge of your truth
And draw us more deeply into you mystery of love,
That we may worship you
Father, Son and Holy Spirit,
One God now and forever.
Amen.

Visyon Parent/Carer Webinars – June-July 2021

Our Parent Webinars are intended to offer information and ideas to help you in supporting your child with understanding and managing their emotions and wellbeing. These are open to parents/carers or other interested family members.

The webinars are delivered as a presentation on Zoom. As a participant you are not connected via video or audio but may interact or ask questions using the typed chat function. We have had really positive feedback from parents who have attended previous webinars who have said it's helped them understand their child's emotions and behaviour and offered practical strategies to try at home. Comments we received included:

"I thought it was a great insight to understanding how my daughters may be feeling. I actually found lots of it relevant to myself too".
