

# Warmingham Primary School PTA NewsLetter

September 2023

The Warmingham PTA is looking to arrange a number of events across the year to raise funds to support Warmingham Primary School. We will try to keep you updated of the details as much as possible however do contact us if you have any questions.

If anyone would like to support with ideas or arrangements for events this will be very welcomed. We are specifically looking for a company or corporation who may consider 'matching' donations from some of the events so if any parents are aware of a company who may consider this please contact us to discuss further

The PTA will meet next on September 11th at 6pm, The Bear's Paw. We would welcome any new parents attending and sharing ideas. We know how busy family life can be so you do not need to commit to a significant role, however we do want to make sure that all families have the opportunity to support the school and the children.
