## ‘Let Your Light Shine’

*Matthew 5:16*

Dear Parents,

Firstly, I would like to thank all of the families who able to support us at the Wakes last Saturday. We helped raise an incredible £9,676.64 for St Leonard’s and we raised £718.18 for the school. Thank you.

Earlier this week, I sent an email out to remind parents that they should only be using the village hall carpark if they have a disabled badge. I have also spoken to individual parents to remind them. I would like to thank the parents who follow this request so the families with disabilities can access the school safely. I know that they too are really appreciative of your kindness and support. Thank you.

Last night, some of Badgers took part in a friendly football match against Middlewich Primary. Although, we didn’t win I was so missed with how far the team has come. They now play as a team working hard to defend the goal whilst also trying to move forward to score a goal instead of playing as individuals. Well done Eliza, Lydia, Zara, Alexander, Alfie, Freddie, Jack, Morrison, Oliver P, Oliver S, Simon and Thomas.

Across the country, thousands of Year 6 children will be preparing for their KS2 SATs tests next week. At Warmingham, we try hard to ensure that the children don’t become too anxious about these tests, and instead try to put a positive twist on them. Instead of them being a test, the children are encouraged to see them as a chance to show how hard they have worked over the last four years and all the things they have learnt to do. We remind the children regularly that the tests are just a snapshot in time, and that they will never reflect all the amazing things they can do – whether that’s academically or not. Our children all have so much to offer, and that’s what we value, and this is what we share with the teachers at their new High Schools. I’m sure you’ll join me in wishing our wonderful Year 6, and those across the country ‘good luck’.

Year 6, please make sure you have lots of fun – get outside and enjoy this amazing weather. Have a wonderful weekend everyone.

Kind regards,

Kate Appleby  
Principal of Warmingham CE Primary  
Proud member of the Rural Church Schools Academy Trust

## Gardening Club

I'm sure you have noticed how busy our gardening club have been over the last couple of weeks. This morning Amelia our Eco Lead planted the first apple tree in our orchard. The gardening club planted the second. Hopefully next year we will be able to enjoy the fruit they produce.

## Warmingham Sings

The children at Warmingham School have been invited to be involved in an exciting singing event on Saturday 15th June at 7pm. More details to follow but the adult choir that Mrs Henry leads in Knutsford called Phoenix Voices are coming to St Leonard's Church to perform in a joint concert and would love the children to join with them. Places are available for all members of the choir and Key Stage 2.

This will be a fantastic opportunity for the children to work alongside some great singers and develop their performance skills. A professional accompanist will also work alongside the children. We will be singing songs such as 'The Wellerman' and 'This is Me' from The Greatest Showman. The school Choir will also be singing Songs from Matilda and Les Miserables. There is no cost for the children to be involved, however children will need to be supervised at the event and tickets for parents and carers will be available at a reduced rate of £5.00 per family through school. Refreshments including soft drinks/ prosecco will be included in the ticket price. If you would like your child to be involved, please speak to Mrs Henry or Mrs Marsden. All proceeds are going towards the renovation of the Church Tower.

# Warmingham Sings

A singing showcase of talent from  
Warmingham C€ Primary school.

Joined with Phoenix Voices  
Conducted by Claire Henry

Proceeds go to The Tower Fund. Songs to include:

This is me  
Wellermen  
Les miserables  
Chasing cars  
Matilda and many more!

**Saturday 15th June 2024**

**7pm @ St Leonard's Church, Warmingham**

**£5 per ticket, refreshments included**

### **Polite Reminder**

We are strictly a no mobile school. Please do not use your mobile whilst on school grounds, including the school carpark.

### **Relationships & Sex Education**

Relationships and Sex (RSE) are part of our Relationships, Sex and Health Education (RSHE). Our RSHE curriculum develops the knowledge, understanding and skills young people need to manage their lives, now and in the future. Learning about relationships and sex supports children to stay safe, enjoy positive relationships of all kinds, and make informed decisions. It will build positive foundations for healthy and safe relationships of all kinds.

At Warmingham, our curriculum starts with our family and friends and how to be kind, the importance of caring and respectful relationships before moving onto how our bodies change during puberty in preparation for reproduction and the basic facts about pregnancy in Year 6. As part of the curriculum, we also cover online relationships because of the world we live in today. We use the 'Christopher Winters Project' to deliver our Relationships & Sex Education during the summer of each year.

A copy of our RSHE scheme of work, Relationships Policy and the units of work from the Christopher Winters Project can be found on the school's website. We will be delivering our RSE the week after half term. This will be happening every Tuesday afternoon for a period of three weeks. If you have any concerns or would like some additional information, please either speak to your child's class teacher.

### **Previously Loved Stock**

Has your child grown out of a pair of trainers or school shoes?  
Are they still like new?  
We would happily take them off your hands and add them to our 'previously loved' stock.

### **Polite Reminder for parents**

Please inform us of any changes to your contact details, such as mobile numbers, email addresses, home addresses and emergency contacts.

## Summer Reading Challenge

Middlewich Library are preparing for this year's exciting Summer Reading Challenge **Marvellous Makers**, which begins on Saturday 6th July.

We'd love to visit your assembly near the end of the summer term to tell your pupils all about it.

The Summer Reading Challenge is a really fun, free way to keep children reading over their long summer holidays and help avoid that dip in literacy skills when they return to school in September.

Each child will receive free incentives, such stickers and activity sheets and if they complete the challenge, they will be presented with a medal and certificate at our special award ceremony.
