‘Let Your Light Shine’

Matthew 5:16

Dear Parents,

Across the country lots of Year 6 having been sitting their SATs this week – I am so proud of our Year 6. Throughout, they have worked incredibly hard, trying their best to answer the questions. They were determined to show what they could do. Well done, Year 6.

There is only one more week left of this half term, before the excitement of the last half term starts – it’s such a special time of year.

On Monday the children will be sharing their home learning projects with their peers and the rest of the school. Parents are welcome to join us from 2:30pm.

Badgers Class have a busy week for competition – Tag Rugby on Wednesday and the RCSAT Games over at Bunbury on Thursday. Good luck everyone.

On Wednesday, Otters’ Class will be finishing of their study them with a visit to the Blue Planet. They have been counting down the sleeps all week!

With the prospect of warmer weather around the corner, can you please make sure that your child has a water bottle and sun hat in school. We are hoping to take the children over to the field so they will need a hat to protect them from the sun.

Kind regards,

Kate Appleby
Principal of Warmingham CE Primary
Proud member of the Rural Church Schools Academy Trust

Polite Reminder

We are strictly a no mobile school. Please do not use your mobile whilst on school grounds, including the school carpark.

Relationships & Sex Education

Relationships and Sex (RSE) are part of our Relationships, Sex and Health Education (RSHE). Our RSHE curriculum develops the knowledge, understanding and skills young people need to manage their lives, now and in the future. Learning about relationships and sex supports children to stay safe, enjoy positive relationships of all kinds, and make informed decisions. It will build positive foundations for healthy and safe relationships of all kinds.

At Warmingham, our curriculum starts with our family and friends and how to be kind, the importance of caring and respectful relationships before moving onto how our bodies change during puberty in preparation for reproduction and the basic facts about pregnancy in Year 6. As part of the curriculum, we also cover online relationships because of the world we live in today. We use the 'Christopher Winters Project' to deliver our Relationships & Sex Education during the summer of each year.

A copy of our RSHE scheme of work, Relationships Policy and the units of work from the Christopher Winters Project can be found on the school's website. We will be delivering our RSE the week after half term. This will be happening every Tuesday afternoon for a period of three weeks. If you have any concerns or would like some additional information, please either speak to your child's class teacher.
