'Let Your Light Shine'

Matthew 5:16

Dear Parents,

It's been another busy week in school with Move Up Day, Town Sports', a rounders friendly and a visit from PCSO Bowyer. Some of the Year 6 children have also been on their high school transition days. It's always wonderful hearing about which lessons excited them the most. PE, Science and DT are usually amongst the favourites, but this year the children seemed to particularly enjoy the German lessons at the boys' school.

On Wednesday some of our KS2 children with a little help from some of our Year 2 took part in the Town Sports' competition with some of the other schools around Middlewich. The children, as always let their lights shine brightly, each playing their individual parts to help the team succeed. Overall, we came 1st in the small school's category for the second year running. Well done Everyone. Next week, the children will be competing in a rounders tournament against the other schools in the Middlewich partnership. The children really enjoy taking part in these tournaments – thank you for transporting your children to and from these events. Without your support, we wouldn't be able to take part.

Earlier this week, I sent out some information about a proposed change to our age range so we can include some nursery aged children in Otters class with our reception children. The consultation closes at 6pm on Thursday 18th July. Thank you to those of you who have already completed the short survey.

Don't forget it's our Summer Fair straight after school on Wednesday. All the money raised goes directly to enhance the provision we provide for the children. Over the last two years, the PTA have funded our Wow starters, paid for coaches, reading books, the trim trail, laptops, FC presents and raised enough money for us to purchase our first set of VR headsets.

Kind regards,

Kate Appleby
Principal of Warmingham CE Primary

Wrap-Around Care

Earlier this term, we sent out a survey to see if there was a need for us to open our own breakfast and after school provision. Although the numbers are slightly lower than we need, we are looking into grants to help us build up the provision over the next couple of years. We are hoping to initially set up an after-school provision in January 2025.

Staffing Update

At the end of the term, we will be saying goodbye to Mr Milne one of our PE specialist teachers. He has made the decision to concentrate on his taekwondo. We wish him all the best in his future competitions.

Mrs Wrenshall will no longer be coming into school every week.

Mrs Cliffe, our SENDCo will be coming into school every Tuesday from September 2025, and Mrs Wrenshall will be coming into school from time to time to complete some specialist work with specific children.

School Communication from September 2024

From September 2024, we will be changing the way we send communications and moving to online bookings for School Meals and Wraparound care.

We will be sending communications to you via the School Spider App and email. We encourage you to download the School Spider Parent App for instant notifications, please see the guidance we have sent out recently.

We will continue to use School Money for online payments and will be moving to online bookings for Dinners.

This will allow sufficient time for you to bring your accounts up to date or build a credit balance before we begin the new system in September. We will issue further details before the end of July.

Outstanding Balances

As the end of the academic year is nearly here, please can we ask that all outstanding balances are brought up-to-date before the end of term. Thank you.
