Squirrels Spelling List

Below are the spellings which children in England are expected to be able to spell by the end of Year 4. They have been broken down into groups of 8 for you to learn each week. You will have a spelling test at the end of the term to see how well you have learnt them.

We will repeat this process in the Spring and Summer terms to give you lots of opportunities to practise them over the year.

Good luck!

accident	breath	certain	difficult
actual(ly)	breathe	circle	disappear
address	build		early
		complete consider	J
