'Let Your Light Shine'

Matthew 5:16

Dear Parents,

It's been another busy week in school. The children are all enjoying their study themes and providing some amazing writing linked to their key texts. The children's love for writing has really improved over the last year. The children are all eager to share their writing with me, which speaks volumes. We no longer have children groaning when we mention the 'w word'. This year we made the decision to continue using the same exercise books from last year, instead of starting new ones every September as it's far better for the environment. The added bonus is that you will be able to see the progress the children have made since your last parents evening back in the spring term. Early next week, you will be able to book your parent evening slots via the school spider APP.

Last night some of the children in KS2 represented the school at this year's cross-country competition. Years 3 and 4 ran 0.75km and Years 5 and 6 ran just over 1km. Several of the children finished in the top ten in their year group – Alfie, Rogan, Ethan and Milo. Well done, Ethan, Ellie, Rosco, Milo, Noah, Pippa, Evie Oscar and Alfie.

Next Thursday, Sarah Skelley, an experienced maths consultant will be coming into school to deliver a Maths workshop for parents. She will be focusing on how parents can make Maths at home more practical and fun. She will also provide you with lots of useful tips and strategies to help you support your child/ren at home.

Next week, we will be sending out information about all of the trips and residential we have planned for the year. These will be going onto school money to help parents budget the cost over the course of the year. Please do not over stretch yourself – we are able to provide some financial assistance for various charities we have contacts with, as well as some money from the church house fund.

Kind regards,

Kate Appleby
Principal of Warmingham CE Primary
Proud member of the Rural Church Schools Academy Trust

School Dinners

After half term, we will be moving over to a new booking system for school dinners. You will need select which option you would like your child to have online and pay for them in advance if your children isn't entitled to free meals (Reception to Year 2 and any families in receipt of Income related free school meals). Could you please ensure that you have cleared your current balance by Friday 25th October 2024. Thank you.

PTA News – Dates for your diary

PTA Meeting – 7th October in the Bears Paw 6:30pm
Family Quiz Night – 18th October 6pm
Lights Disco – 8th November 6pm
Film Night – 3rd December until 5pm
Christmas Fair – 12th December until 5pm

Asda – Cash Pots for Schools

Do you shop in Asda? Have any of your friends or family members how do? Our PTA have registered Warmingham so Asda can donate 1% of your total bill to the school. So far, we have raised £85.26. If you don't already have the Asda APP and would like to support the school, you just need to download the Asda reward app for Google Play or the Apple store, and then select Warmingham as your chosen school. When you download the APP, you will also receive a £5 reward to spend in Asda. There are also additional benefits for Blue Light card holders.

School Spider

We have now officially moved all communication over to School Spider. If you haven't already done so, you will need to download the APP to avoid missing communications, parents' evening appointments and more. Payments for lunches and trips will continue to be through the school money APP. Further information can be found later in this week's newsletter.

Starting the school day on the right foot!

It's important that the children come to school prepared for their school day with a water bottle and their bookbags.

It's also important that they arrive on time. The school gates open at 8:30am and the register is taken at 8:45am. Children arriving after 8:45am receive a late mark in the register. We do understand that from time to time a child might be late, but it's important that it's not most days. From 8:30 to 8:45am the children have a chance to catch up with their friends, put their things away and complete some early work challenges. The class teachers also use this time to work with some of the children. Being late can be really unsettling for some children.

Let Your Light Shine - Ours Stars this Week:

Otters (Reception) ~ Aria for the service she has shown in her writing this week.

Hedgehogs (Y1) ~ Albert for his compassion shown towards others, always thinking of others.

Hedgehogs (Y2) ~ Georgie for her perseverance and service to her maths, excelling in her problem solving and reasoning.
