'Let Your Light Shine'

Matthew 5:16

Dear Parents,

It has been another busy week with two parents' evenings, a meeting with Neil Dixon, the CEO of CDAT and the PTA quiz night! Thank you to all of those of you who have completed the survey to let us know your views about RCSAT joining CDAT. The survey closes at 6pm on Tuesday 22nd October 2024.

On Friday Badgers' Class thoroughly enjoyed using our new VR headsets to explore annex which Anne Frank and her family hide in during World War II. The headsets brought their learning alive. It was a real pleasure sitting listen to the children chat to each other as they discovered the different parts of the annex. This isn't something you can gain from watching a film or looking at pictures. Without your continued support either helping run events or attending them with your families, the PTA would not have been able to support the school in the way they do. Thank you. There are some exciting events planned for after half term: a lights disco, film night and the Christmas Fair. Watch out for the flyers. You can find the dates at the end of the newsletter.

We are looking forward to seeing everyone's home learning projects later today. The children adore sharing their work with the children across the school. Parents are welcome to join us at 2:30pm. Please take the time to take your child around the school to look at all of the amazing projects.

As we come to the end of this half term, the classes will be focusing on their fantastic finishes. A troll has been spotted under the bridge near the Bears' Paw - Hedgehogs' Class will be going to investigate. Mrs B has spotted three billy goats grazing in the field next to the bridge. I wonder if they have seen the troll?

Kind regards,

Kate Appleby
Principal of Warmingham CE Primary
Proud member of the Rural Church Schools Academy Trust

School Dinners

We will be moving to online booking and payments for school meals. This will be done via SchoolMoney and will require payment at the time of booking.

schoolmoney

Bookings for school dinners will open on Friday 25th October 2024 at 3pm to allow you to select the meals for the next half term: 4th November 2024 through to 19th December 2024.

For more information, please see the letter we sent out earlier. Attached to the email was a parents' guide and a copy of the menu.

We strongly recommend that you download the schoolmoney APP.

PE Kits

After half term, we are asking children to come to school dressed in their PE kits.

Monday – Hedgehogs

Wednesday – Squirrels and Badgers

Friday – Everyone

Attendance

Regular attendance at school is vital if children are to make good progress and reach their full potential. There may be times when your child is may be feeling a little under the weather but still well enough to attend school. Below is a link to a useful website which contains some useful which will help you know if your child is too poorly for school.

<https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

Head Bump Wrist Bands

To help promote awareness and ensure further safety and vigilance for our children, we will be issuing all children who are treated in school for a head bump injury with a colourful wristband. These wristbands will serve as a reminder to all staff in school that the children has had a head bump during the school today and should they display any signs of concussion this will not then be mistaken for illness. You will also receive an email and a notification through the school spider app.

School Trips and Residential

We are in the process of finalising the trips and residential for this academic year. By half term, we are hoping to be able into a position to provide you with the full details. We will then unload the payments details to school money to provide you with more time to pay. Please don't over stretch yourself. If you are going to struggle to pay, please complete a financial form. We will then be able to help with some of the cost. The Up and Under Foundation and the Church House Fund have always supported us in the past.
