September saw St Peter's host Bishop Sam Corley, the Bishop of Stockport, for a question and answer evening. It was a wonderful event and Bishop Sam answered the questions with grace, wisdom and humour. I was privileged to host the evening and in my role I was asking the questions.

The questions were many and varied and it led me to reflecting on the importance of asking questions.

The thing about faith is, it is not about knowing all the answers. The Bible is punctuated with faith questions.

The Psalms are packed with honest questions of God in times of trouble

*My God, my God, why have you forsaken me? – Psalm 22:1*

*I lift up my eyes to the hills – from where will my help come? – Psalm 121:1*

St Paul, a great leader in the early church, wrote letters to the first followers encouraging them with questions

*If God is for us, who is against us? – Romans 8:31*

*Who will separate us from the love of Christ? Romans 8:35*

*Where, O death, is your victory? 1 Cor. 15:55*

And Jesus himself asked his followers deep and challenging questions

*Why are you so afraid? Mark 4:40*

*Why do you call me good? Mark 10:18*

*But what about you? Who do you say I am? Matt 16:15*

Questions are a good thing. They allow us to explore what we believe, they help us to grow in faith, and they help us to realise that we don't have all the answers. I would encourage you to ask questions, to take them to God, to listen to His reply. When we realise that we don't have all the answers, we can do what the wisdom writers of the Proverbs encouraged us,

*Trust in the LORD with all your heart,  
and do not rely on your own insight.*

*In all your ways acknowledge him,  
and he will make straight your paths. Proverbs 3:5-6*

## Prayer for October

Loving, Creator God,

Thank you for your wonderful creation. In these days of concern about climate change and the damage caused by modern lifestyles and choices, help us to be more aware. Help us to make good choices. Help us to be good stewards of Your creation.

You are so generous Lord. You provide for us – more than enough to meet the needs of all people. Help us to play our part in making sure there is fair distribution of all Your provision. Help us to reflect Your generosity, Your compassion, Your justice. Help us to care for Your world and Your precious children.

In Jesus name, Amen

Some of St Peter's Harvest Flowers

On the 20th September St Peter's held their Harvest Thanksgiving service where we sang many traditional harvest hymns and heard harvest readings. Rev. Paul encouraged us to think about our giving by looking at the words of St Paul's 2nd letter to the Corinthians. We thought about giving generously, willingly and cheerfully. There was much joy in the occasion and it was good to be reminded that 'God loves a cheerful giver'.

This was made easier by the beautifully decorated church that reminded us of all that God has given us that we can be grateful for. Our thanks go to the many people who dedicated such time to arranging the flowers and making the church look so stunning.

After the service we went to the hall for a traditional harvest supper. Again a huge thanks must go to the team who arranged the supper. Sorting out the food, the hall and the raffle. It was such a wonderful time of fellowship made all the more so by the delightful food.

We are thankful to God for all his provision and taking time to celebrate his harvest was such a joy.

We are glad that Harvest is nearly upon us as we hope that our stocks can be replenished, especially as we head into autumn and winter when demand often increases. Since January 2024 to date, over 2,000 people have received crisis food parcels. At the same time we have experienced a shortfall of over five tonnes of food which means we have had to purchase items we are short of on a weekly basis.

If you do collect for us this Harvest and are able to bring the donation to us this is much appreciated as we have limited staff capacity to collect. However, if you anticipate a large collection and need us to collect then do please get in touch to request this.

### **Our current shopping list:**

Tinned - potatoes; vegetables; meat meals (chilli, stew); corned beef; fish; tomatoes; spaghetti; baked beans; soup; sponge puddings; rice pudding; fruit; custard

Instant - pasta meals; flavoured noodles; gravy

Packets - soup; rice; custard

Rice; microwave rice; Jars of curry; pasta sauce

Jam; marmalade; biscuits; crackers; crisps

Tea bags; coffee; milk – UHT; sugar; cereals; fruit juice (long life)

*“Do your little bit of good where you are; it’s those little bits of good put together that overwhelm the world.” — Desmond Tutu*

During this time, as we see the rich bounty nature can provide, let us take time to give thanks to God. We pray for farmers and all those who work on the land during harvest time. We pray that they will be safe as they go about their work.

Donations from our Harvest Festivals will be given to St Paul's Pantry

**Patrick Martin Smith**  
**27th March 1940 - 8th August 2024**

On the 9th of September we said our final farewell to our former Church warden, Patrick Smith.

Patrick was a quiet unassuming man who served as Assistant Warden then Church warden for many years and he is greatly missed here.

A proud Irishman, we heard during the funeral of his childhood in rural Ireland. We were told of the challenges of rural life but also of the beauty of the area that Patrick grew up in learning how he and his brothers spent many hours playing on the beach and in the sea. We also heard how Patrick was home schooled until he was ten due to that fact there was no local school.

Stories from Patrick's life brought tears and laughter and told of his journey to Crewe, his work and family life. His love for his family, the joy he found in holidays and that Patrick was an avid collector of stamps and was a member of the Crewe Philatelic Society for many years.

Patrick's love of trains was well known. He was a big heritage railway enthusiast enjoying several heritage railway trips around the country. He also collected railway memorabilia; and had a railway book library approaching 1400 books.

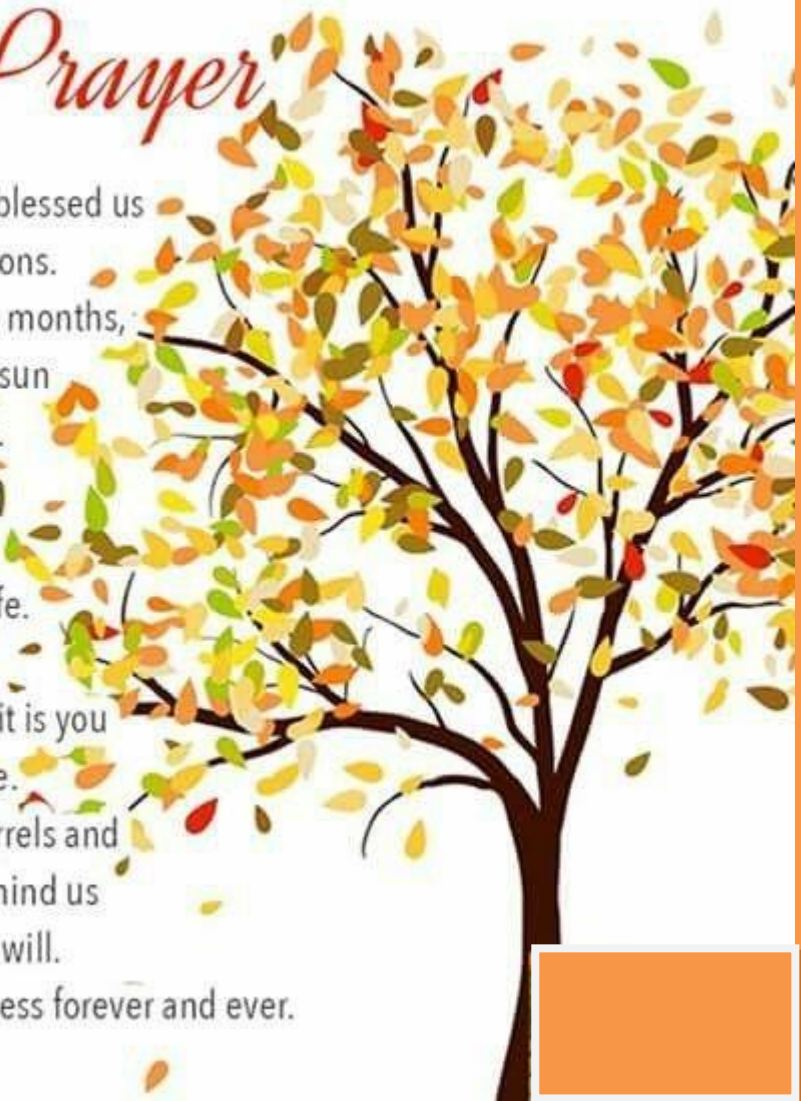

Patrick was a modest man and it was clear throughout the day the deep regard that Patrick was held in. Patrick quietly went about serving at St Peter's making sure the worship in church ran smoothly. Much of his efforts were below the radar as he worked hard without any drama. He most likely would have been embarrassed by the fuss but all at St Peter's miss his kind and caring nature.

Rest in Peace Patrick

# Autumn Prayer

O God of Creation, you have blessed us with the changing of the seasons. As we embrace these autumn months, May the earlier setting of the sun remind us to take time to rest. May the crunch of the leaves beneath our feet remind us of the brevity of this earthly life. May the steam of our breath in the cool air remind us that it is you who give us your breath of life. May the scurrying of the squirrels and the migration of the birds remind us that you call us to follow your will. We praise you for your goodness forever and ever. Amen.

# News from Warmingham CE Primary School

## What's happening this term?

### Otters' Class

Otters first study theme is 'Marvellous Me'. We will use the fantastic text 'Welcome to our World' by Moira Butterfield as we find out how children live all around the world in this beautifully illustrated book!

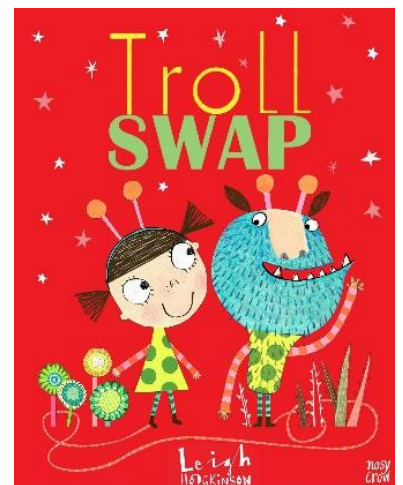

We will firstly look at ourselves and our own families and what makes us special as we settle into our new routines in school. Then we will learn that children all over the world are very different, looking at what people in other countries eat, wear and play, and how they speak and celebrate. From breakfasts to birthdays, cakes to clothes, and hiccups to hellos, there are so many ways to say and do things - but everyone shares a love of family, friends, food and fun.

This delightful book will teach us that despite different languages, customs and traditions, it really is a small world, after all.

### Hedgehogs' Class

Hedgehogs' are learning a geography based study theme, 'Land, Sea and Sky', as we explore the text, 'Troll Swap' by Leigh Hodgkinson.

Timothy Limpet feels out of place in the troll family - he likes things to be just so, and most trolls, frankly, don't. Tabitha Lumpit likes things to be loud, loopy and messy and she feels like a fish out of water in her very neat family.

Sometimes they wonder if their families really see them for who they are, so when Timothy and Tabitha meet on the bridge they each decide the other's family is a better fit and swap places.

This inspirational book will not only be the hook for our writing, but will enthuse the children as we delve into other areas of our connected curriculum:

As Geographers, we will learn to identify the United Kingdom through maps, atlases and globes and will compare a small area of the UK to a non-European country (Rhodesia – the author's birthplace).

As Artists, we will create our own trolls Joan Miro style using colour, pattern, texture, line, shape, form and space.

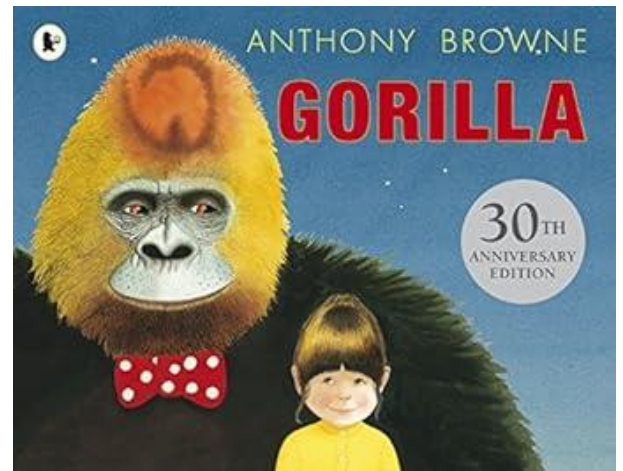

As Design Technologists, we will design and make bridges. We will then evaluate our free-standing structures.

We will finally complete our study theme by visiting a bridge in Warmingham. We may even meet a real-life troll!

## Squirrels' Class

This half term Squirrel's Study theme is 'Dreams'. Our focus text is 'Gorilla' by Anthony Browne which will support our learning across the curriculum.

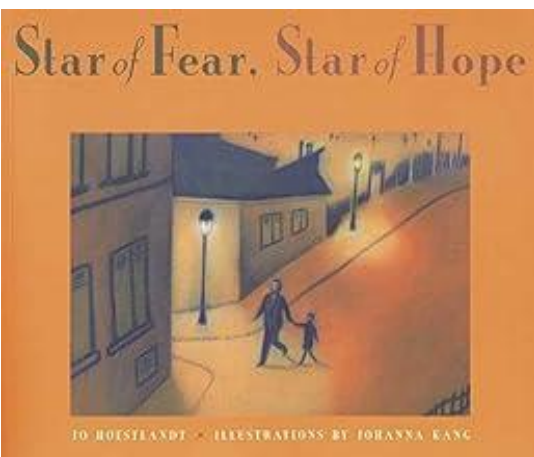

As Geographers, we will be learning to develop an understanding of the continents of the world and comparing physical and human features of South Africa, thinking about where do gorillas live and why?

As Artists, we will explore the artwork of Anthony Browne and design a monochrome acrylic painting of a gorilla.

As Historians, we will focus on how Ancient Greeks influenced our lives today. We will finish our Ancient Greek topic by having an Ancient Greek day at the end of half term.

## Badgers' Class

Badgers' will be learning lots about World War II as we explore the text, Star of Fear, Star of Hope by Jo Hoestlandt.

As Historians, we will be learning about what led to the start of World War II and the main events which occurred throughout. We will be looking closely at how World War II changed the everyday lives of people in the 1940s, and the lasting impact the war has had on our lives today.

As Geographers, we will be discovering which countries Hitler and his army invaded and why. We will then be using a range of maps and other geographical resources to find out how the physical landscape either aided or hindered these invasions.

As Artists, we will be developing our joining techniques so we can work with a wider range of resources including metal.

As Designers, we are going to design and make a t-shirt which promotes peace. We will then model these in a fashion show to show case our work.

## Warmingham School Railings

A couple of photos of the repainted Warmingham School railings. Jo Price and family and Robert and Ken Newton have spent time during the school summer holidays wire brushing, filing and scraping the old flaking paint off the railings before spending the best part of a week repainting them.

The paint has been paid for by the Parish Council and they now look much improved.
