'Let Your Light Shine'

Matthew 5:16

Dear Parents,

Yesterday, some of the children from Squirrels' Class took part in a football tournament. Although they didn't win, it was a pleasure watching them working together as a team. As the games progressed, they became stronger and stronger. We scored some incredible goals and managed to save a few too. Overall, we came second in the small schools' competition. Well done Noah, Edward, Niamh, Jemima, Evie, Rosco, Jacob, Milo and Ivy.

We have come to the end of a very busy half term. The children have worked incredibly hard since September and are ready for a well-deserved break – as are the staff! The second half of the autumn term is one of my favourite times in school as we start to prepare for Christmas. We have some wonderful things planned for the children including a trip to the Storyhouse in Chester to see Sleeping Beauty, making some very special Christmas baubles with a visiting artist as well as the usual Christmas Fair, Christingle making, Messy Church day, Christmas dinner, Nativity production and Christmas Carol service. This year we are also hoping to sing at this year's Christmas Market in Sandbach. Have a wonderful half term spending time with your loved ones. We will see you all on Monday 4th November when school reopens.

Kind regards,

Kate Appleby
Principal of Warmingham CE Primary

School Dinners

After half term we will be moving over to our online booking and payments for school dinners. This will be 'live' after 3pm today allowing you to select meals for the next half term: 4th November through to 19th December 2024.

Even if your child has a packed lunch every day, it's important that you log on and input that information for the term.

It's vital that all parents download the APP to ensure they are able to do this. We will be running a dual system for the first two weeks just in case there are any problems. From **Monday 18th November**, the class teachers will **no longer be taking a manual dinner register**.

If you haven't ordered a school dinner for your child, you will need to send them in with a packed lunch.

PE Kits

After half term, we are asking children to come to school dressed in their PE kits.

Monday – Hedgehogs

Wednesday – Squirrels and Badgers

Friday – Everyone

Attendance

Regular attendance at school is vital if children are to make good progress and reach their full potential. There may be times when your child is may be feeling a little under the weather but still well enough to attend school. Below is a link to a useful website which contains some useful which will help you know if your child is too poorly for school.
