

# Badgers' Homework Matrix for Autumn 2024

Select **one** of the tasks from the table below.

Don't forget we expect the same high-quality research, thought and care with presentation, as we do in school.

<p>Create a 3D model of a rainforest in a shoebox. Include different layers (emergent, canopy, understory, and forest floor) using natural materials like leaves, twigs, and paper.</p>	<p>Research and create a recipe using ingredients that come from the rainforest, like cacao or tropical fruits.</p>	<p>Write a short story or poem from the perspective of a rainforest animal.</p>
<p>Create artwork inspired by the vibrant colours and life of the rainforest. This could be painting, drawing, or even crafting with recycled materials.</p>	<p>Set up a fun escape room challenge at home with clues related to rainforest facts and animals.</p>	<p>Create a mini rainforest in a jar using soil, small plants, and decorations to represent animals.</p>
<p>Create a shadow puppet theatre with a rainforest theme.</p>	<p>Create some Top Trump cards linked to the animals who live in the rainforest.</p>	<p>Listen to recordings of rainforest sounds and identify the different animals. You can create your own soundscapes using household items to mimic rainforest sounds. Record your music to share with us.</p>

You will need to bring your work back into school on **Monday 16<sup>th</sup> December 2024**, when you will share it with our class and the rest of the school in our home learning exhibition.

Parents are welcome to join us between 2:30pm and 3pm
