'God loves a cheerful giver.'

2 Corinthians 9:7

Dear Parents,

It's been another busy week in school. Badgers have created some master pieces in the style of Monet, Squirrels have been sketching The Colosseum, Hedgehogs have created a Victorian toy museum and Otters have been exploring patterns in nature. Last night, our Woodland Adventures Club made some bird feeders for our woodland area. Fingers crossed we have lots of visitors.

You may have also noticed that we have a Reading Shed located on the playground. It was kindly donated by Eve, Anna and Edwin as a leaving gift for the school. As you can imagine the children have adored using it.

We had three visitors into school this week. Both commented about how wonderful the children's behaviour and the wonderful atmosphere in school. One of them went as far as saying that it was the best school she had ever been to! I let the children know how proud we are of them in this morning's Celebration worship.

Please email Mrs Marsden any awards or achievements outside of school. We would love to share them with everyone in Celebration worship each week.

Stay safe and have a wonderful weekend.

Kind Regards,

Kate Appleby
Principal of Warmingham CE Primary
Proud member of the Rural Church Schools Academy Trust

Parents' Evenings

3rd and 4th November via Zoom.

The children will be bringing home their English and Maths books to share with you on the evening of your appointment. They will need to bring them back into school the following morning.

In order to support our village school, we have a few events planned for this term and are looking forward to seeing as many of you as possible at the events. As I am sure you have read in the recent newsletter, the school is moving towards a cashless system, and as a PTA, we will be supporting the school with this. Therefore, moving forward tickets for events will be bought online, via our new website or in the very near future, our app.

Visit our website: www.pta-events.co.uk/warmingham

and register via the menu button in the top right of the screen. This will take you to our new site where you can purchase tickets for the forthcoming Spooky disco and Fashion & Fizz evening. Movie night tickets will be available for purchase in due course.

Our app is already available, however tickets cannot yet be purchased via the app. Please do download the app, so that when we have the go ahead for purchases via the app you are ready to do so. In order to download the app, please visit the app store on your device and search for PTA events, and enter the code warmingham (lower case w).

The PTA always needs volunteers to run events. Our new website allows you to volunteer for events at the click of a button. If you feel you are able to help support the PTA with the running of events, please sign up via the site and we will be in touch before the event.

As a PTA we have investigated many online payment methods, the Spooky disco and the Fashion & Fizz evening will be our first for online sales, we ask that you are patient with us, whilst we iron out any issues we may encounter, thank you.
