'Let Your Light Shine'

Matthew 5:16

Dear Parents,

Time seems to be whizzing past again – it won't be long until the Christmas spirit takes over school. It's always such a special time of year which the children adore.

On Wednesday night the PTA meet to discuss the Christmas fair. Early next week I will be sending out the 'Countdown to Christmas' to help you stay on track with all the wonderful things we have organised for the children. On Tuesday 3rd we would like the children to wear their own clothes in exchange for some chocolate for the chocolate tombola stall, and then again on the 11th December in exchange for some bottles for the bottle stall.

As the children have all been so good this year, Father Christmas has asked if he can join us at the fair. You will be able to book your slots from early next week – keep an eye out for a school spider notification. Mrs Henry has started practising some beautiful Christmas songs with the children. They will be singing these at the opening of our Christmas fair. The PTA are planning on selling some mulled wine and mince pies for you to enjoy while you listen to the children sing.

Mrs Allen has met with our Ethos Council to select which charities we will be supporting this year. We will be supporting Save the Children (Christingle), Comic Relief, Gingerbread Socks and Chance (Changing Lives for Charity). We also want to thank everyone who supported Children in Need last week we raised a total of £86.00.

There is currently £121.76 in our Asda Cashpot for Schools fund. There are only eight days left. If you shop in Asda, and haven't yet downloaded the Asda APP, it's not too late to support the school. There are only eight days left until it closes.

Kind regards,

Kate Appleby
Principal of Warmingham CE Primary
Proud member of the Rural Church Schools Academy Trust

School Carpark

Parents are **not permitted** to use the **village hall carpark**. It is private property which **parents do not have permission to park on**.

The committee have given staff permission to use their car park. This not only frees up spaces in the school carpark for parents, it also means that staff don't need to walk along the road in the dark during the winter months. It would be such a shame if the committee decide to withdraw their consent because some of our parents continue to use their carpark.

Please use the school carpark or park on the road, if the carpark is full.

Sandbach Christmas Market

We have been invited to sing at Sandbach's Christmas Market on the 6th December 2024. Mrs Henry will be rehearsing with the children over the next few weeks.

We will be singing twice:
Sandbach Small Common 5:05pm to 5:20pm
Sandbach Cobbles 5:55pm to 6:10pm

We will be meeting at the Small Common (behind the townhall) at 4:50pm. Children will need to wear their school uniform with a scarf, woolly hat and gloves to keep them warm. You will need to stay and watch your child, and then help us walk them round to the cobbles for the second performance.

Thank you to those of you who have completed the online survey.

Attendance

We understand that there may be occasions when your child is unable to attend school due to illness or other unavoidable circumstances. However, it is important to remember that chronic absenteeism can significantly impact your child's learning experience.

As a school, we monitor school attendance, tracking any pupil whose overall attendance falls below 95% (this doesn't include any authorised absences).

Children should only stay at home if they are really poorly with a high temperature, sickness and/or diarrhoea. If you are in any doubt, please send your child into school. We will keep a close eye on them and if need be, we will send them home.

This year we are working towards becoming a silver rights respecting school. This award is granted by UNICEF UK to schools that show good progress towards embedding children's rights in the school's policy, practice and ethos, as outlined in the RRSA Strands. This means as a school we are explicitly embedding the UN Convention on the Rights of the Child in its policy, practice and culture.

To become a silver accredited school, we will show how we are promoting knowledge and understanding of the Convention throughout our school and community. This will be shown through the positive impact on children, young people, staff, and on the school's ethos, practice and environment.

As we work towards achieving this accreditation, our children and young people will begin to see themselves as rights respecting global citizens and advocates for fairness and children's rights, both locally and globally.

Mrs Allen

We at Warmingham believe that courageous advocacy is a long-term legacy, an endowment to future generations; it is about releasing the possibility of the pupils in our school to serve the common good. Together we are exploring the concept of courageous advocacy and what that means to us as Christians:

What does the Lord require of us?

To act justly and to love mercy and to walk humbly with your God' (Micah 6:8)

When using the term 'courageous advocacy' we are referring to the act of speaking out against an issue of injustice, often on behalf of those whose voice is not heard. Speaking out, at whatever level this takes place, requires an element (and sometimes a great deal) of courage! Becoming a courageous advocate for change, therefore, must involve being informed about an issue and it must move beyond simply knowing, to saying and doing. Educating for courageous advocacy must embody an ethos of action-taking, challenging injustice and becoming agents of change in the transformation of ourselves, our relationships and our communities from the local level to the global. We at Warmingham endeavour to nurture and grow courageous advocates.

As part of this journey, we are currently working with SuperKind Education C.I.C, a 100% not-for-profit organisation dedicated to empowering young children to make positive change happen in the world around them, through the website SuperKind.org.

The Social Impact Schools Award celebrates and showcases school's commitment to having a social impact and provides formal recognition of those schools placing social action and charity-work at the heart of their education.

Applying to be a Social Impact School and achieving the award will provide formal recognition of our school's commitment to social impact.

There are 12 categories of social action listed on SuperKind. These are:

Changing their behaviour

Organising an event

Sharing with others

Donating

Petitioning

Starting a club

Making a speech

Protesting

Volunteering

Making a poster

Raising money

Writing a letter

Your children have already started gaining badges and will be working with their teachers and peers over the next academic year to hopefully achieve the award. Parents and carers can follow our journey using the link below:

This Year	1968	1874	1696	2138

This week our Ethos Council have chosen Emily for offering friendship, giving her service and showing great kindness when one of her classmates was feeling upset.

Over the course of the half term, we will be focusing on the Christian value of **trust**. Next week, we will be reflecting on the Bible stories we have heard this half term and linking them to everyday life.

This week's Bible Reading

Esther saves her people
