I wonder if you will be making a journey this Christmas, or if people will be making a journey to see you. The first Christmas was packed full of journeys. The Angel Gabriel made his way to Mary with the most incredible news.

Mary and Joseph, like everyone else at the time, made their way to Joseph's home town. The shepherd's, on hearing the good news of the birth of Jesus, made their way at great haste to see the new born baby. Some point later the wise men journeyed with the significant gifts.

Against the backdrop of our incredibly packed diaries and almost oppressive commercialism, Advent gives us the time and space to make our own journey to meet Jesus.

Advent, and the four weeks leading up to Christmas, help us to stop, to reflect, to think about what it is we are celebrating and why. It helps us to pay attention to what should be at the middle of all our celebrating. Advent is a time for self-reflection, to look at some of the darkness in our lives and to focus on Jesus, the light of the world.

It is this journey towards the light of Jesus that gives us hope, both for now and for the future. The Gospel writer Mark starts his gospel with this focus

*The beginning of the good news about Jesus the Messiah, the Son of God, as it is written in Isaiah the prophet:*

*“I will send my messenger ahead of you,  
who will prepare your way”—  
“a voice of one calling in the wilderness,  
‘Prepare the way for the Lord,  
make straight paths for him.’” Mark 1:1-3*

Let us use this Advent for more than the Christmas practicalities. Let us journey towards Christmas preparing our hearts for the birth of Jesus.

## Winter prayer

Heavenly Father, this winter as the days get darker quicker and the weather gets colder, let us remember that you are our rock and comforter. We can always call on you for the warmth of your love and embrace. We thank you that you protect us and keep us in the winter months, and that you are faithful. We ask that your Holy Spirit would lead us in your light during this season because no matter how dark things get in the world, the light of Christ overcomes it all. **Amen.**

## Christmas prayer for peace

Lord, we pray for peace this Christmas. As we think of Jesus, we remember that he is the prince of peace despite what is happening around us. During this busy season, guide us to take moments to be still and know that you will work all things together and that if we abide in you, we will also have an inner peace and confidence that you are in control of all our plans. **Amen.**

## **The Railway Tragedy at Minshull Vernon - 12th December 1924**

The quiet village of Minshull Vernon, was, on Friday evening 12th December, the scene of a terrible railway tragedy in which three members of well known and highly respected Cheshire farming families lost their lives. They were: -

Mr George Hollinshead aged 51, and his wife Mrs Mary Hollinshead aged 49 of Bradfield Green Farm, and Mr John Robert Newton aged 54, of Newfield Hall Farm, Minshull Vernon.

A Christmas party was being held at Park Hall Farm, the residence of Mr and Mrs Hall. A short cut to the farm was across a railway crossing which spanned the West Coast main line. It was what is known as an "occupation crossing", a type of level crossing to be found only in country districts, created solely for the use of farmers who own land on both sides of the railway line. It was at this crossing where the fatality occurred. The first guests crossed the line safely, and on seeing the lights of Mr Hollinshead's car about 300 yards behind – it was decided to leave the gates open to save him the trouble of getting out of his car, thus doing him a good turn.

Mr Hollinshead drove onto the track and was in the act of closing the gate behind him, when he heard the Scottish express approaching, but tragically it was too late to move the car, which was then struck by the train.

Mr and Mrs Hollinshead left two sons, Jack and Fred. The funeral service took place at the Wesleyan Church, with their interment at St. Peter's, Minshull Vernon, and was officiated by the Rev. Corsbie (Monica Bermingham's father).

The funeral and interment of Mr Newton, who left a wife Janet and a daughter Dorothy, took place at St. Bartholomew's, Church Minshull, again presided over by Rev. Corsbie.

One hundred years later, on Sunday 8th December 2024, we will be remembering the tragedy during our morning service at St. Peter's with members of the families affected; many of whom still reside in the parish or live locally.

# News from Warmingham CE Primary School

SILVER – RIGHTS AWARE

This year we are working towards becoming a silver rights respecting school. This award is granted by UNICEF UK to schools that show good progress towards embedding children's rights in the school's policy, practice and ethos, as outlined in the RRSA Strands. This means as a school we are explicitly embedding the UN Convention on the Rights of the Child in its policy, practice and culture.

To become a silver accredited school, we will show how we are promoting knowledge and understanding of the Convention throughout our school and community. This will be shown through the positive impact on children, young people, staff, and on the school's ethos, practice and environment.

As we work towards achieving this accreditation, our children and young people will begin to see themselves as rights respecting global citizens and advocates for fairness and children's rights, both locally and globally.

We at Warmingham believe that courageous advocacy is a long-term legacy, an endowment to future generations; it is about releasing the possibility of the pupils in our school to serve the common good.

Together we are exploring the concept of courageous advocacy and what that means to us as Christians:

What does the Lord require of us?

To act justly and to love mercy and to walk humbly with your God' (Micah 6:8)

When using the term 'courageous advocacy' we are referring to the act of speaking out against an issue of injustice, often on behalf of those whose voice is not heard. Speaking out, at whatever level this takes place, requires an element (and sometimes a great deal) of courage! Becoming a courageous advocate for change, therefore, must involve being informed about an issue and it must move beyond simply knowing, to saying and doing. Educating for courageous advocacy must embody an ethos of action-taking, challenging injustice and becoming agents of change in the transformation of ourselves, our relationships and our communities from the local level to the global. We at Warmingham endeavour to nurture and grow courageous advocates.

As part of this journey, we are currently working with SuperKind Education C.I.C, a 100% not-for-profit organisation dedicated to empowering young children to make positive change happen in the world around them, through the website [SuperKind.org](http://SuperKind.org).

The Social Impact Schools Award celebrates and showcases school's commitment to having a social impact and provides formal recognition of those schools placing social action and charity-work at the heart of their education.

Applying to be a Social Impact School and achieving the award will provide formal recognition of our school's commitment to social impact.

There are 12 categories of social action listed on SuperKind. These are:

Changing their behaviour

Organising an event

Sharing with others

Donating

Petitioning

Starting a club

Making a speech

Protesting

Volunteering

Making a poster

Raising money

Writing a letter

Stand up for justice, stand up for truth; and God will be at your side forever.

An atmospheric retelling by candlelight of Charles Dickens' most famous tale, performed by professional storyteller Elizabeth Morris.

"A Christmas Carol" tells the story of Ebenezer Scrooge, an uncaring miser whose outlook is transformed after he is visited by the ghosts of Christmas Past, Present, and Future. "A Christmas Carol" carries a strong Christian message centered around themes of redemption, compassion, and the spirit of giving.
