'Let Your Light Shine'

Matthew 5:16

Dear Parents,

Happy New Year! Thank you for your support and understanding this week. The decision to close the school, delay the opening until 10am or open as usual wasn't taken lightly but I know you understand it was done to keep children, staff and yourselves as safe as possible. I understand that this may have meant some juggling for you and appreciate that you have supported my decision – thank you.

On Monday, Warmingham Wombles, our new wraparound care provision will be starting. Places can be booked on the School Money app. If you have any issues, please contact Mrs Marsden and she will happily help you. You will need to complete a short registration form before you child accesses the provision. We already have the majority of information needed on file. If you need to book a place at short notice or let us know that you a running late you will need to send an email to warminghamwombles@rcsat.cheshire.sch.uk. When dropping your child off or picking them up, please ring the doorbell on the main gate. Mrs Wilkinson and Mrs Fitzpatrick have been busy planning lots of exciting things for the children to do. One of their first tasks will be designing a logo for the new provision.

Our enrichment clubs will also be starting next week. Mrs Bugliarello has been busy organising some outside providers to run some of the clubs for us – dance, percussion and multi sports. Mrs Bugliarello will working with our Eco Warriors to improve our school and local community and Mrs Allen will helping the Ethos Council organise some activities for the children. It isn't too late to sign up for any of these clubs. Some of the clubs do have a charge. The School House fund have given us some money, so we would be able to provide some financial support if you need assistance.

Have a wonderful weekend.

Kind regards,

Kate Appleby

Big Question Worship.

Last September, we introduced the 'big question' worship on a Tuesday. The main theme for the week is shared with the children and staff during the whole school worship on a Monday. The children are then given a question to debate or a task to complete in their individual reflection books. On Monday each class was given a pot of snowdrops.

Snowdrops have three large outer petals and three smaller inner ones. The hardened leaf-tips of its three narrow leaves help the snowdrop break through frosty ground. The snowdrop is sometimes called 'flower of hope' because it comes so early in the year.

In worship we watched a clip of 'The Snowdrop' which was written by Hans Christian: it is New Year and snow lies upon the ground. Under the earth the Snowdrop is snug and warm inside her bulb. A ray of winter sunshine reaches her and she grows towards the light and breaks through to the world. But the North Wind tells the Snowdrop she has come out too soon - she can't possibly survive the night.

The Snowdrop battles the winter weather through the night...and in the morning she is proud to be recognised as the very first flower of the New Year, a welcome reminder that winter will soon be over.

The snowdrop is a sign of new beginnings and hope, as well as a promise of good things to come. The children were asked to think about all the good things they want to do with their lives before choosing one or two things they would like to focus on this year.

Back in class the children were asked to complete some observational drawings of snowdrops in their individual reflection books. They were then asked to record the good things they hope to do this year around their pictures.

What I hope to do this year
• All people smile every day
• Help others when they need it.
• Give time to others

My snowdrop

What I hope to do this Year

- encourage my brother to be braver at some thing.
- give up time for others
- make someone smile each day
- stop good waste
- raise money for a charity

This year!

I hope to be a better friend I hope to save electricity
