## 'Let Your Light Shine'

*Matthew 5:16*

Dear Parents,  
Boy! What a long week it's been. Thankfully we are at the end of January. Everywhere you look there are first signs of spring.

On Tuesday, Mrs Blease-Bourne, one of our school governors came into school to meet with this year's research group: Freddie, Zara, Molly, Rogan, Oscar and Emily. Their research will be focused around courageous advocacy and the impact we are having in school. Mrs Bugliarello will be supporting the children throughout the project. We are hoping that they will have completed their research and be ready to present their findings during the second half of the summer term, when you will be able to come into school to watch their presentation. Even if your child is not part of the research project, you will enjoy finding out more about what we are doing in school.

There are only two weeks left of this half term. Mrs Marsden will be sending out links for you to book a parents evening slot on Monday. Unless already agreed with me, separated parents will need to come to the same appointment. For the parents with children who have a SEN support plan, we will be reviewing their plans during your parents' evening slot. Parents of children with an EHCP will be able to review your child's implementation plan with Mrs Cliffe and your child's class teacher. These will slots go live on School Spider this evening at 6pm.

Don't forget! The children will be sharing their home learning projects on Monday 10<sup>th</sup> February. Parents are welcome to join us between 2:30pm and 3pm. The children will also be showing the work they have been doing with Mrs Henry on Friday 14<sup>th</sup> February @ 9am. Mrs Marsden will be sending out a link for you to let us know if you are able to join us – just so we know how many seats to put out.

Have a wonderful weekend.

Kind regards,

Kate Appleby

### School Uniform

Some of the children are wearing non-uniform items especially on PE days. Our PE uniform consists of a red top, black shorts, legging or joggers and a black hoodie.

Hair accessories are also become bigger and bigger. The children are welcome to wear small, discrete headbands, bows and bobbles but they must be either black or red.

### Polite Reminder!

We are a mobile free site. Please do not use your mobile whilst you are on school grounds. Can you please ensure you let everyone know who picks up your child – thank you for your continued support.

### Attendance

Regular attendance at school is vital if children are to make good progress and reach their full potential. There may be times when your child is may be feeling a little under the weather but still well enough to attend school. Below is a link to a useful website which contains some useful which will help you know if your child is too poorly for school.

### School Carpark

Parents are **not permitted** to use the **village hall carpark**. It is private property which **parents do not have permission to park on**.

The committee have given staff permission to use their car park. This not only fees up spaces in the school carpark for parents, it also means that staff don't need to walk along the road in the dark during the winter months. It would be such a shame if the committee decide to withdraw their consent because some of our parents continue to use their carpark.

**Please use the school carpark or park on the road, if the carpark is full.**
