

Choose your homework from the menu below:

The peri-ometer suggests the difficulty or challenge the homework may offer.

Each half term we ask you to complete **at least two** of the tasks from the table. We expect high quality work which shows research, thought and care with presentation. Bring your homework back to school on the last Monday of each half term to share with the class and the rest of the school. You will receive a new homework matrix every half term.

<p>Make your own erupting volcano using baking soda, vinegar and food colouring!</p> <p>(We will be doing this in class but you are welcome to repeat the activity at home with your family)</p> <p>Design</p>	<p>Research and write a set of instructions for how to make a 'rock cake.'</p> <p>See if you can follow your instructions and make some at home!</p> <p>Design</p>
<p>Research information about a famous volcano. Present your research as an information leaflet, PowerPoint or poster.</p> <p>Geopgraphy</p>	<p>Research the different parts inside a volcano.</p> <p>Draw a picture of a cross-section of a volcano, label each part and its function.</p> <p>Geography</p>
<p>Draw a large volcano and fill it with adjectives that you would use to describe it.</p> <p>English</p>	<p>We have explored and created our own mosaics. Can you use what we have learnt to create your own Roman mosaic artwork?</p> <p>History/ Art</p>
<p>Free choice! Choose anything you have been learning about in class and research it more. Present it in a form of your choice.</p>	<p>Find and compare the heights of different volcanoes. Present your findings in a table.</p> <p>Maths</p>
