‘Let Your Light Shine’

Matthew 5:16

Dear Parents,

Otters have been very excited by the arrival of their chicks this week – their excitement quickly spread through the whole school! It has been wonderful watching them hatch and seeing them grow. This experience wouldn't have been possible without the PTA's fundraising. They are looking for people to help with the musical bingo – before hand and on the night. Every penny raised is spent directly on the children, often on things we can not afford from the school's main budget.

Yesterday, all children took part in our World Faith Day as part of our understanding and respect for different religions and cultures. The day provided an enriching opportunity for our children to explore the core beliefs, traditions, and values of Islam through engaging activities, discussions, and presentations. Children learned about the significance of key practices such as prayer, fasting, and charity. Events like these help us nurture a sense of inclusivity and global awareness, encouraging our children to value diversity in our school and beyond.

Next week, Hedgehogs will be going on their residential. Residentials are such an important part of school life. Not only do the children enjoy being away, residentials also encourage independence and self-reliance in children. Being away from the comfort of their own homes and families allows the children to develop essential life skills such as decision-making and problem-solving whilst having lots of fun. The children always look back on their time away with us with fond memories.

Kind regards,

Kate Appleby
Principal of Warmingham CE Primary

Red Nose Day 21st March 2025 – Next Friday

The Ethos Team have decided that they would like to hold a 'Big Bake Sale'. They are asking for any donations of delicious cakes/biscuits to sell on Friday 21st March at break time and again after school. Children are also welcome to come to school dressed in their own clothes with their 'Big Hair' designs. There will be a prize for the most unusual hair styles! Minimum donation of £1 to participate.

Donations should be made via our just giving page –
[Just Giving donations for Comic Relief](#)

Pretend Birthday Cake

Do you know someone who would be able to make us a pretend birthday cake which looks really realistic? We would like to celebrate the children's birthdays in our worship on a Friday.

Preloved Uniform

Do you have any school uniform that your child no longer fits? We are looking for pre-loved school uniform for the PTA to sell. Please send any donations into the school office.

Polite Reminder!

We are a mobile free site. Please do NOT use your mobile whilst you are on school grounds. Can you please ensure you let everyone know who picks up your child – thank you for your continued support.

World Down Syndrome Day

From Monday 24th March we will be selling gingerbread biscuits to raise money for Down Syndrome, Cheshire.

Biscuits will be available to buy for £1 at breaktimes until we run out. Please bring cash in to pay on the day.

Stem Family Learning Event 26th March 2025

Mrs Bugliarello has been busy arranging this year's family learning event. Don't forget to add the date to your diaries. Parents will be able to join in the fun from 2:30pm

Easter Bonnet Parade – Otters and Hedgehogs

Each year we ask the children in Otters and Hedgehogs to make a Easter Bonnet to wear to our Easter Service.

This year our Easter Service is on Friday 4th April.

Warmingham Wombles

Warmingham Wombles is the names for our before and after school provision where we offer a term-time wraparound care in a safe, secure, warm & welcoming environment, giving parent additional support outside of the school day.

We aim to provide a high-quality service for the parent of those children who attend Warmingham. You will have peace of mind knowing that your child is in good hands & being well looked after by our caring staff. All staff members are fully trained in safeguarding, paediatric first aid & food hygiene, and also have a full & current DBS check. Although the provision is not part of the school day, it still follows all of our policy and procedures and is subject to the same monitoring and expectations as the rest of the school.

Both the breakfast & after school clubs are well resourced, providing a wide range of fun, stimulating & creative activities that are suitable for all ages & interests. The children also have the opportunity to play & explore in our school grounds to expel some energy before the school day starts and again at the end of their busy school day.

Breakfast Club - Priced at £6

7.30am to the beginning of the school day.

A variety of breakfast cereal, fresh fruit & milk are provided for the children to choose.

Breakfast is served up to 8am

After School Club – two sessions available.

The session starts with a drink and snack before the fun starts. The children are then able to choose from a range of fun activities whilst they play with the other children.

Session 1: 3.15pm to 4.15pm: Priced at £6 (includes a snack and drink at the end of the school day)

Session 2: 3.15pm to 6.00pm: Priced at £12 (includes a light tea which served between 4:45pm and 5pm)

Taster Sessions Available

We would like to offer every child in school a taster session. If you would like to book a taster session for your child, please contact Mrs Marsden.
