

### Warmingham C of E Primary School RE 4 year long term overview.

The following 4 year RE scheme of work is a collection of medium term plans based on 11 Christian theological concepts. Each concept is built on progressively from Reception to Year 6. This syllabus advocates and provides a balance between three strands of study: theology (believing), philosophy (thinking) and human/social sciences (living).

*This scheme of work contains:*

1. A long term overview to showing the concepts to be studied. Schools may choose to study the concepts in any order and adapt the material. The concepts that are linked to the cycle of the Church's Year are Incarnation, Salvation, Resurrection and Holy Spirit. Schools with mixed age classes can adapt the plans to suit their requirements. The overview also shows links to PowerPoint resources which are found on the Schools staff share.

Links are also given to the national Understanding Christianity Project. These are also in the RE files under each term with the medium term Plans.

2. Individual concept grids for each concept which include enquiry questions and essential knowledge. These are designed for use from Reception to Year 6. These are to be completed after each concept is covered.
3. World religion, bible days and messy church are also incorporated into the plan at termly intervals
